Alphabetic List of Variables and Attributes					
#	Variable	Type	Len	Format	Label
16	center_classification_date	Char	8		date when recalled food product was classified
9	classification	Char	9		relative degree of health hazard assigned by FDA: I (adverse), II (less adverse), III (unlikely adverse)
5	country	Char	100		country of firm location
19	date1	Num	8	DATE9.	recall_initiation_date
20	date4	Num	8	DATE9.	recall_termination_date
18	date1year	Char	8		year of recall initiation date
22	days	Num	8		number of days between initiation to termination dates
3	distribution_pattern	Char	2000		places in the U.S. where distributed
11	event_id	Char	5		numerical tracking number assigned by FDA to a specific recall event
23	general_reason	Char	30		general reason for recall
13	initial_firm_notification	Char	81		method by which public were initially notified of recall
6	product_description	Char	5000		description of food product
2	product_quantity	Char	500		amount of food product
10	product_type	Char	4		type of recalled product
1	reason_for_recall	Char	2000		original reason
15	recall_initiation_date	Char	8		date when recalled food product is first notified to public or consignees of a recall
14	recall_number	Char	11		alphanumeric tracking number assigned by FDA to a specific recalled product
7	recalling_firm	Char	300		name of food firm
4	state	Char	100		state of firm location
8	status	Char	10		progress of recall
17	termination_date	Char	8		date when recalled food product is terminated

The CONTENTS Procedure

Alphabetic List of Variables and Attributes					
#	Variable	Type	Len	Format	Label
21	usda_region	Char	26		food business center region of firm
12	voluntary_mandated	Char	25		status of whether recall was initiated voluntarily by a firm or after being mandated by statutory recall authority, court order, or FDA

The MEANS Procedure

Analysis Variable : COUNT Frequency Count				
N	Mean	Std Dev	Minimum	Maximum
13	150.8461538	54.5035873	34.0000000	263.0000000

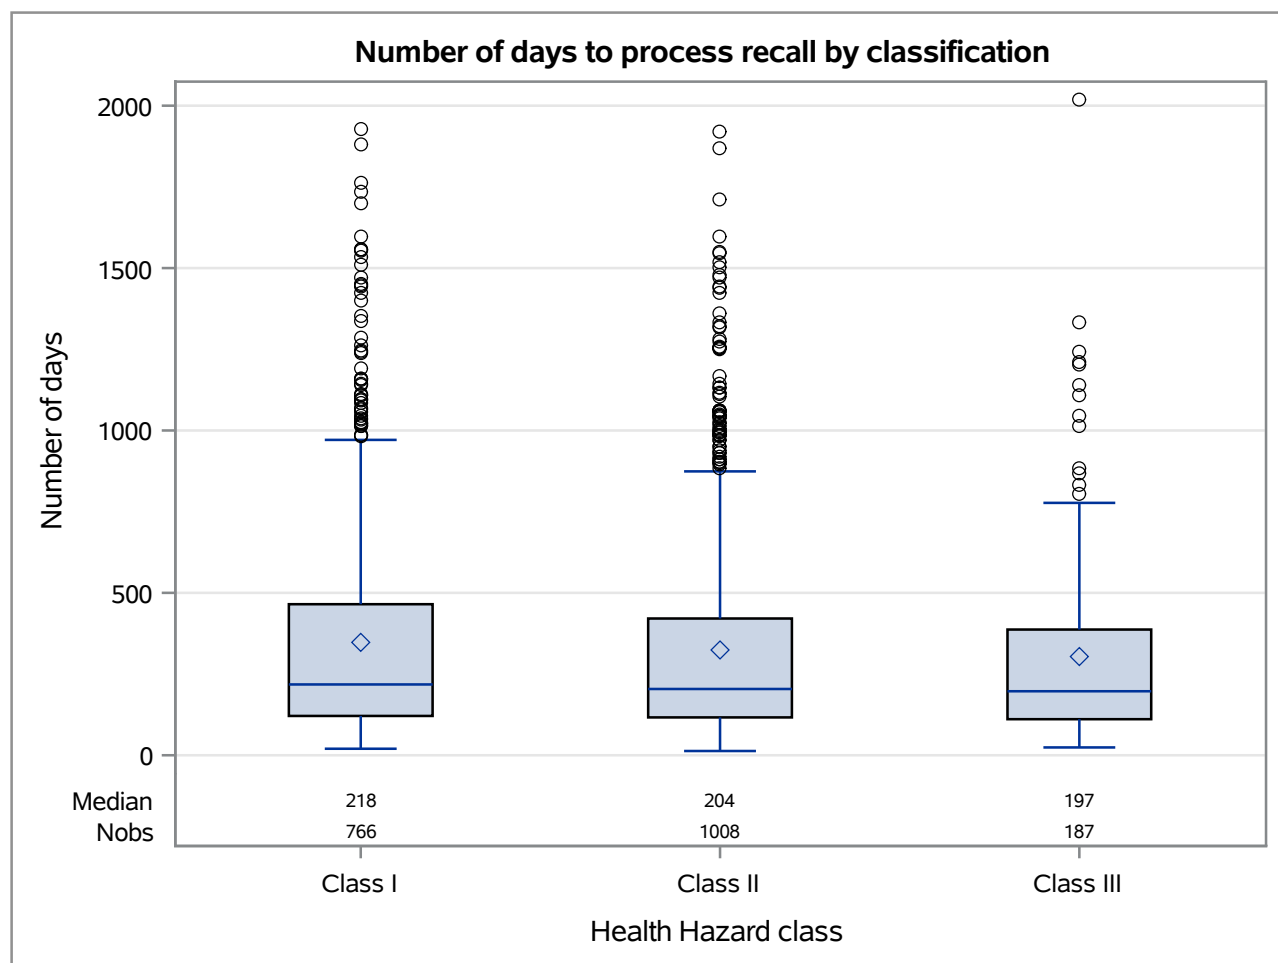

The year 2012 begins from June 1, 2012 so does not represent a full year.
 The year 2024 includes up to present day April 30, 2024.

The year 2012 begins from June 1, 2012 so does not represent a full year.
